壹 - ICHI -
Umeshu
(Awamori Base)

13% vol

ICHI is made with an Awamori sake base, two different types of plums and rock sugar. The rare Sumomo plum infused with Nanko plum gives the sake a rosy pink colour, fruity aroma and subtle taste.

善 - ZEN -
Umeshu
(Brandy Base)

19% vol

ZEN is made using fully ripe Nanko plum infused with brandy and rock sugar. It is rich, deep in flavour and less sweeter than our other range of Umeshu.

縁 - ENISHI -
Umeshu
(Japanese sake Base)

10% vol

ENISHI uses a traditional Japanese sake base from Kyoto Sasaki brewery and incorporates Nanko rare Tsuyuakane plums and rock sugar. This sake has an elegant red tint and has both a fruity taste and aroma.

操 - MISAO -
Umeshu
(Koshu Base)

11% vol

MISAO commemorates the 50th year of creating the Nanko ume. It is made specially with Koshu (more than 3 years old Awamori sake) sourced from Okinawa, infused with fully ripe Nanko plum and rock sugar. It contains natural pulp from the roughly pressed Nanko plum giving the sake a greater taste.

The MISAO 720ml comes packed in a wooden box.

啓 - HIRAKU -
Umeshu (Whisky Base)

30% vol

We pickled fully ripened Nanko plums from Minabe's own farm in Japanese Whisky "Akashi" with a touch of rock sugar. Lightly sweetened and the alcohol content is 30%, strong plum wine. Serve it on the rocks, recommended to mix it with carbonated water to make a Highball.
